

## **Retreat in Monterrey, Mexico, September 15 - 17, 2017**

The annual retreat in Monterrey was held in mid-September as per tradition. From September 15 - 17, 2017 about 20 Margiis came from near and far to enjoy the uplifting kiirtan, satsaunga and lectures.

Dada Ciranandaji was the main organizer and made sure the program and the food had high standard. Dada Ragatmanandaji held a beautiful and uplifting sitar concert. The seminar talks were delivered by Dada Satyamitranda with topics on Brahmachakra and Meditation, and was appreciated and enjoyed by the Margiis.

Over all, the retreat had a high spiritual vibration where everyone contributed to its success. This was yet another successful retreat in Monterrey, and we are looking forward to meet all of you again next year ☐
