

Seminar in Ottawa - Canada

We had our 2nd phase seminar in a rented hall in old part of Gatineau city on November 18 from 9 am to 4:30 pm. Four Margijs were present. We were able to cover the three philosophical topics (in French): “Science Sacrée des Védas-2”, “Avoir une Pratique Spirituelle”, “L’Economie Décentralisée”. We had a yoga class, lot of kiirtan, meditation, a collective meal as well. Baba’s video in the end. Despite the small number of participants everyone expressed his/her satisfaction and joy. Baba’s grace.
